

FISCAL NOTE

HR 125

April 28, 2003

SUMMARY OF BILL: Requires the State Board of Education, in consultation with the Department of Education, to report to the Select Oversight Committee on Education on how candidates are prepared for the testing requirements to obtain teacher licensure.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes since the State Board of Education, in consultation with the Department of Education, regularly reviews these testing requirements in terms of their validity and alignment with the State's licensure standards, there would be minimal cost to report to the Select Oversight Committee on Education on how candidates are prepared for these tests.
